

Pro Series C

The essential choice for interactive excellence

The Pro Series C is an EDLA-certified touchscreen display built for seamless collaboration. It delivers 20% greater power savings than previous models and features ultra-responsive 50-point touch precision for smooth, accurate interaction.

Available in a range of sizes 65" 4K | 75" 4K | 86" 4K

More features. Better performance. Less cost.

Designed for modern classrooms, it includes advanced digital whiteboarding, effortless wireless casting, and centralised device management software.

The Key Features

Google EDLA-Certified

Access your go-to apps, Google Drive, Docs, Sheets, Slides, Teams, Word, PowerPoint, and more, right from the screen via Google Play. Manage access and implement download restrictions to stay in control.

Integrated Camera

Built-in 8 array mic and 50MP automatic focus camera.

Software included at no extra cost

Your IT team can control, update, and troubleshoot a fleet of Clevertouch screens without being in the room, ensuring your users always have the latest versions of apps and software.

[Learn More](#)

LYNX Whiteboard is a free, dynamic app for building engaging sessions, whether for lessons or presentations. Designed for real-time collaboration, it offers the most intuitive user experience of any whiteboard, supporting interaction, creativity, and cloud access across environments.

[Learn More](#)

Download the Clevershare App to your phone, tablet or laptop, and connect instantly by typing in the code shown on the Clevertouch screen. The Clevershare App is free to download and compatible with Android, Windows, iOS, and Chrome devices.

[Learn More](#)

CleverLive is a cloud-based digital signage content management platform that connects all your Clevertouch products, enabling you to broadcast messages, announcements, and alerts. Use editable templates or create your own presentations.

Features

SD Card slot for expandable storage up to 640GB

Anti-Glare Display reduces reflections and improves the viewing experience in brightly lit rooms or rooms with windows.

The most fluid, lag-free writing experience on a touchscreen with true 4K high Precision Technology.

2x 20W front speakers

Sync with Google Drive, OneDrive, and Dropbox - work anywhere, anytime.

Built-in 8 array mic and 50M automatic focus camera for instant video calls, remote collaboration, or hybrid learning.

Wireless or hardwired connections so team members and visitors can connect safely using separate networks.

Seamless integration with room booking system - Sync with your MS Exchange™ and Outlook 365 calendars.

Improve communication with instant messages and alerts using CleverLive digital signage.

Comprehensive warranty with Clevertouch distribution partners.

Instant Over-the-Air Updates (OTA) seamlessly delivered to your display.
