

BT9906

SYSTEM X ULTRA-STRETCH PORTRAIT SIGNAGE MOUNT FOR LG 86BH5C

BT9906 is a System X mounting solution that is ideal for portrait mounting LG's 86BH5C Ultra-Stretch Signage to a wall. At a depth of just 51.1mm, the finished install is close to the wall but still allows enough room for easy access to connectors. Safety screws come as standard to help prevent unauthorised removal of the screen and height adjustment screws allow the screen to be levelled perfectly after installation.
