Make waves with a bag that does more. Crafted from high-quality ocean-bound plastic, and featuring advanced laptop sling protection, the Targus 15-16" EcoSmart® Coastline Backpack safeguards your tech while empowering coastal communities and removing plastic from our global waterways.

With every purchase you become part of a global movement, supporting local businesses and community leaders in building stronger collection networks for the future. This isn't just a backpack, it's a commitment to positive change, environmental responsibility, and leaving a lasting impact on the world's coastlines and oceans.

Built to fit laptops up to 16", the Targus 15-16" EcoSmart® Coastline Backpack is meticulously engineered to provide reliable laptop protection while showcasing a sustainable design. Made from certified OceanCycle ocean-bound plastic, the GRS-certified recycled materials speak volumes about your commitment to a cleaner, greener planet. The ergonomic design includes shoulder straps that distribute weight evenly, ensuring comfort even on long commutes. With a spacious main compartment and dedicated laptop cradle, your tech and essentials stay organized and protected. A 22L capacity and full workstation, along with two front stash pockets, offers ample space for your gear, making organization a breeze.
