Crystal UHD Signage QMC

Features     Specs     Support     Compare

*QMC series has earned an ENERGY STAR 8.0 certification from the Environmental Protection Agency for its energy efficiency and an Electronic Product Environmental Assessment Tool (EPEAT) certification in recognition of its eco-conscious efforts, such as its recycled plastic use. Also, QMC series is the first signage models to receive a product carbon footprint certification from TÜV Rheinland, a global testing body. *TÜV Rheinland was established in 1872 and headquartered in Cologne, Germany, TÜV Rheinland provides quality and safety certification services to multiple industries. The organization calculates its carbon footprint certification by evaluating the amount of greenhouse gases generated throughout the entire product lifecycle, ranging from production to disposal, based on internationally recognised standards.* The certification status of TÜV Rheinland Carbon Footprint may vary depending on the inch.

# Specifications
