

NETWORK MEDIA PLAYER

**NMP760**

## Key Features

- Ready for all Google Workspace for Education users
- Instant access to the Google Play Store with over 2.95 million apps
- Bundles together well with ViewBoard, ViewSonic Monitors, and ViewSonic Projector for a complete teaching solution

## Product Description

Elevate any classroom with the compact, portable ViewSonic NMP760 Chromebox. Connect the compact Chrome OS-powered box with a monitor or interactive ViewBoard display, and access your favourite apps from the Google Play store for more productive classes and tutorials. Integrated with Google Meet and Google Classroom, the device helps teachers facilitate better presentations and collaborations in hybrid and remote learning environments.
