Power Cord Schuko Angled to C5 2M White

The ProXtend PC-FAC5-002W power cord enables a connection between a male type F (Schuko) connector, and a female C5 connector. The type F (Schuko) connector is angled at 90 degrees, while the C5 connector has a straight form factor.

The type F connectors, also known as Schuko, are most often used within the majority of European countries, Russia, as well as some North African and Malaysian countries.
