

15-16" Pulse II EcoSmart Sleeve

eco/smart

TBS97102GL | €27.99

Designed for modern professionals, the Pulse II EcoSmart Sleeve combine slim, sleek aesthetics with superior laptop protection while promoting sustainability. Crafted from eco-friendly materials, these sleeves feature a durable, water-repellent coating to guard against the elements, while the neoprene padding and brushed interior lining provide exceptional protection against scuffs and scratches.

Durable water repellent coating | Printed grip for added tactile feel | Neoprene laptop protection | Interior brushed lining protects laptop against scuffs and scratches | Dual zipper closure
