Military Grade Drop Protection

Minor drops and bumps are no problem for this durable case. In fact, the case passes rigorous MIL-STD 810G testing* to ensure it can protect your iPad Pro® from drops up to 4 feet (or 1.2 meters).

Clear Coverage

No need to hide that colorful iPad Pro® behind the case to fully protect it. Its back cover is made with a clear, shock-absorbent TPU, so you can show off the color of your device while keeping it wrapped in protection. Not only protective, but functional, its precision cutouts allow access to all ports and buttons and ensures the camera is accessible for photos or videos without removing it from the case.
