Universal Projector Wall Mount - Projector Mount supports Short & Ultra Short Throw Projectors up to 33lb (15kg) - Tilt/Swivel/Rotate - Adjustable 16.5" to 27.7" from Wall - TAA

Product ID: PROJWALLMNT

The adjustable mount for short throw projectors helps you create a large image from a short distance and keeps your projector out of the way. It's ideal for classrooms, boardrooms, hospitality venues, and many other meeting spaces.

Supporting a wide range of projector brands, the short throw projector wall mount features a universal mounting pattern of 12.8" (325 mm) diameter and supports a weight capacity of 33.3 lb. (15 kg).

Adjust the distance of your projector from the wall using the telescopic arm, which extends from 16.5" to 27.7" (420 mm to 705 mm). The arm on the low-profile projector wall mount also tilts +5/- 5 degrees to help you find the ideal position.

StarTech.com conducts thorough compatibility and performance testing on all our products to ensure we are meeting or exceeding industry standards and providing high-quality products to IT Professionals. Our local StarTech.com Technical Advisors have broad product expertise and work directly with our StarTech.com Engineers to provide support for our customers both pre and post-sales.

Certifications, Reports and Compatibility

Applications

• Mount a short throw projector in classrooms, lecture halls, or hospitality venues
